Living Healthy with Diabetes Health Fair at South Lake Hospital's

Clermont, Fla. – As part of South Lake Hospital's "Year of Healthy Living" initiative, the hospital will host the Living Healthy with Diabetes Health Fair on Saturday, November 13, 8:30 a.m. to 11:30 a. m. at the National Training Center.

An estimated 23.6 million children and adults in the United States have diabetes. Come learn how to live a healthy life while managing diabetes. The health fair will include brief presentations starting at 9:00 a.m. by Shazia Nasir, MD, Board Certified Internal Medicine; Timothy Henne, DPM, and Michele McGowan, DPM, Board Certified Podiatry; and medical and healthcare professionals covering diabetes basics, nutrition, diabetes foot prevention, fitness and diabetes and meeting the challenges of living healthy with diabetes through education. Several vendors will be on hand with sample items to help you live a healthy life while managing diabetes.

The event is open to the public at no cost. For more information and to register, please call 352.394.4071, extension 4412. The National Training Center, part of South Lake Hospital, is located at 1935 Don Wickham Drive, in Clermont on the hospital campus.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit www.southlakehospital.com.
