Coping with the Holidays, Living with the Loss of a Loved One

South Lake Hospital and Cornerstone Hospice to offer new bereavement support group

***Clermont, Fla.* –** South Lake Hospital and Cornerstone Hospice will offer a new bereavement support group beginning in November focusing on coping with the holidays and the loss of a loved one.

The support group will consist of four sessions on Wednesday evenings from 5:30 p.m. – 6:45 p.m., November 17, December 1, December 8 and December 15

The support group will help participants learn to live with loss in a supportive environment during a time of year that may be challenging.

"The bereavement support group was developed after hearing of the need from community members," said Elizabeth Morse, M.Div., South Lake Hospital Spiritual Care Coordinator. "The group will allow those that live in south Lake County and are grieving the loss of a loved one to receive support while staying close to home."

There is no charge to attend and it is open to the public. All sessions will be held at the National Training Center on the South Lake Hospital Campus, 1935 Don Wickham Drive, Clermont. To register, please call 352.394.4071, ext. 4412.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit www.southlakehospital.com.
