**Diabetic Foot Prevention will be the topic
at South Lake Hospital's August Health & Wellness Series**

Clermont, Fla. – Diabetic Foot Prevention will be the educational topic of South Lake Hospital's August Health and Wellness Series being held at the National Training Center on Thursday, August 20, 2009, from 6:00 p.m. to 7:00 p.m. The educational program will be presented by board-certified podiatrist Timothy Henne, D.P.M. followed by a short question and answer session.

The presentation will provide participants with information on diabetic foot prevention including foot screenings and check ups, warning signs, and wound prevention, treatment and healing.

The event is open to the public at no cost. For more information and to register, please call 352.394.4071, extension 4419. The National Training Center, part of South Lake Hospital, is located at 1109 Citrus Tower Blvd. in Clermont on the hospital campus.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit www.southlakehospital.com.
