What's all the BUZZ about bioidentical hormones?
South Lake Hospital Health & Wellness Series

Clermont, Fla. – Many women have questions about hormone replacement. You may be wondering if its time for you to start taking hormone replacement therapy. Hormone imbalance affects women of all ages. Learn the facts and myths about bioidentical hormone at South Lake Hospital's Health & Wellness Series, by Shelly Glover, M.D., board certified gynecologist Wednesday, January 27, 2009, from 6:00 p.m. to 7:00 p.m. at the National Training Center.

The program is open to the public. For more information and to register, please call 352.394.4071, extension 4412. The National Training Center, part of South Lake Hospital, is located at 1109 Citrus Tower Blvd. in Clermont on the hospital campus.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit www.southlakehospital.com.
