Learn about options for chronic neck and back pain at
South Lake Hospital Health & Wellness Series

Clermont, Fla. – South Lake Hospital's Health & Wellness Series for January, focusing on options for dealing with chronic back and neck pain, scoliosis and other existing spine issues, will be held on Thursday, January 7, 2009, from 6:00 p.m. to 7:00 p.m. at the National Training Center.

The program will be presented by Scott Farley, D.O., Joseph Flynn Jr., M.D. and Javier Placer, M.D. Topics covered will include minimal invasive spine surgery, compression fractures, pain management options and a minimally invasive surgical procedure called X-STOP.

The event is open to the public at no cost. For more information and to register, please call 352.394.4071, extension 4412. The National Training Center, part of South Lake Hospital, is located at 1109 Citrus Tower Blvd. in Clermont on the hospital campus.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit www.southlakehospital.com.
