**New Technology in Knee, Hip, & Shoulder Replacement will be the topic  
for South Lake Hospital's September Health & Wellness Series**

**Clermont, Fla.** – New Technology in Knee, Hip, & Shoulder Replacement will be the educational topic of South Lake Hospital's September Health and Wellness Series being held at the National Training Center on Wednesday, September 16, 2009, from 6:00 p.m. to 7:00 p.m. The educational program will be presented by board-certified orthopedist Michael Messieh, M.D. followed by a short question and answer session.

The presentation will provide participants with information on the latest techniques in knee, hip, and shoulder replacement using minimum invasive techniques for a quick and full recovery and restoration after surgery.

The event is open to the public at no cost. For more information and to register, please call 352.394.4071, extension 4419. The National Training Center, part of South Lake Hospital, is located at 1109 Citrus Tower Blvd. in Clermont on the hospital campus.

South Lake Hospital is a not-for-profit acute care community hospital, in partnership with Orlando Health. South Lake Hospital has been providing quality healthcare services to the South Lake County for over 60 years. For additional information about South Lake Hospital visit [www.southlakehospital.com](http://www.southlakehospital.com).
